SUMMER 2014 APPLICATION**

WWW.SCHOOLHA.US

THANK YOU.

We're excited to receive your application, but please do not feel any pressure to figure out the "right" answers to the questions in this application, because there are none. Just have fun, and share some of your self. That's pretty much all we can ask at this point.

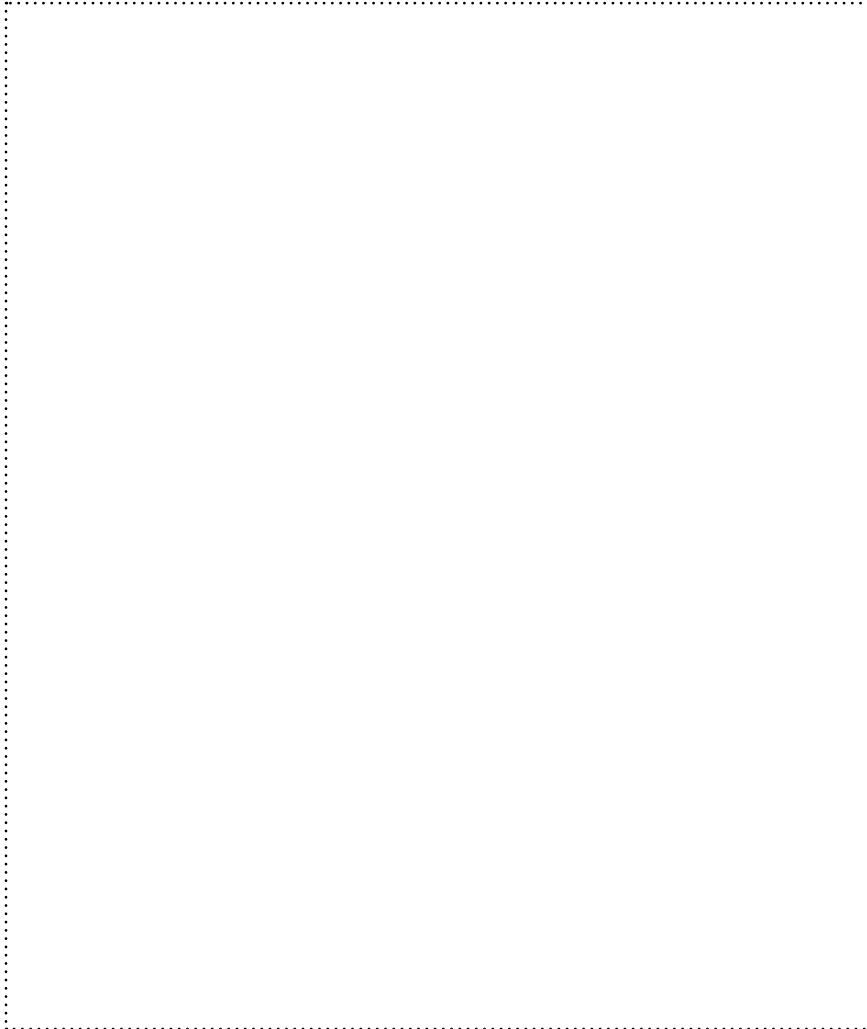

Sincerely,

Zak & Dan
Schoolhaus / A4

YOU DID IT.

Delivery instructions are located on the back page. Please note, all applications are assessed in the order they are received. Details regarding acceptance or questions regarding your Schoolhaus application will follow 1 week after your application is received.

2. Please draw a diagram of all your formal and/or self-directed education up to this point.

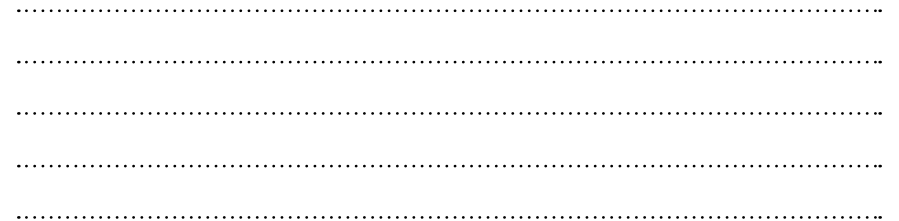

8. Please check all that apply:

- I do the same couple things over and over, it drives me crazy.
- I have way too many ideas. What do I do with all these ideas?!
- Everything I do ends up looking crappy when I want it to look nice.
- Everything I do looks nice when I really want it to look crappy.
- None of the above.

9. If, magically, I couldn't do my art anymore I would:

- Be a lot happier, actually
- Die
- What are you even talking about?
I don't know what you are talking about.
- All of the above

10. What's something about yourself that makes you feel proud?

**6. Please share something that defines you,
or that you consider essential about yourself.**

**7. I understand that this thing you are talking about does
not award any academic credits, costs money, and is
strange. Nevertheless, I really want to do it because...**

**4. Please elaborate on your artist strengths and
weaknesses by filling in the blanks below.**

a. I can really well.

**b. I sort of suck at
....., but I would never admit it out loud.**

**c. Even though it seems unimportant to my chosen discipline
I would someday love to study
..... because I think it's fucking fascinating.**
